

Vendor for open meal sites

City of Boston

Statement of Need

The City of Boston Office of Food Justice is seeking a vendor to provide support to open Summer Food Service Program sites in order to ensure that they are run smoothly and in compliance with state and federal funds, and that as many youth as possible receive healthy meals. We look forward to receiving your proposal.

Quick Description

The scope of work for this RFP is to provide support to open Summer Food Service Program sites in Boston to ensure compliance with state and federal funds, and to provide healthy meals to as many youth as possible.

Expectations

Materials/Resources:

The vendor will be responsible for providing all necessary materials and resources to ensure that the sites are run smoothly and in compliance with state and federal funds. This includes, but is not limited to, food, equipment, and supplies.

Services:

The vendor will be responsible for providing the following services: hiring staff, training, city-wide site monitoring support, menu planning guidance, and program evaluation.

Labor:

The vendor will be responsible for providing the necessary labor to ensure that the sites are run smoothly and in compliance with state and federal funds. This includes, but is not limited to, hiring staff, training, and city-wide site monitoring support.

Quality Criteria for this Component:

The vendor must meet the following quality criteria: compliance with state and federal funds, providing healthy meals to as many youth as possible, and providing all necessary materials and resources. The vendor must also demonstrate a commitment to subcontracting goods and services from certified businesses.

Summary

Final Response: The City of Boston Office of Food Justice is seeking a vendor to provide support to open Summer Food Service Program sites, including hiring staff, training, city-wide site monitoring support, menu planning guidance, and program evaluation, to ensure compliance with state and federal funds and provide healthy meals to as many youth as possible.
